The screenshot shows the CUHK Research Portal interface. At the top, there is a navigation bar with links for Research Resources, Copyright in Research, Theses, Experts List, and About us. A sidebar on the left contains a menu with Home, Research Outputs, Researcher Profiles, Department Profiles, and Research Areas. The main content area features a large banner image of CUHK, a welcome message, a general search box, and a section for latest publications. The footer contains contact information for various university departments and a copyright notice.

A library collection where the books are real people. Drop into the CUHK Main Library throughout 4 October to borrow a living book. Talk to people who challenge gender and sexual stereotypes. Learn from their stories. Foster respect for differences.

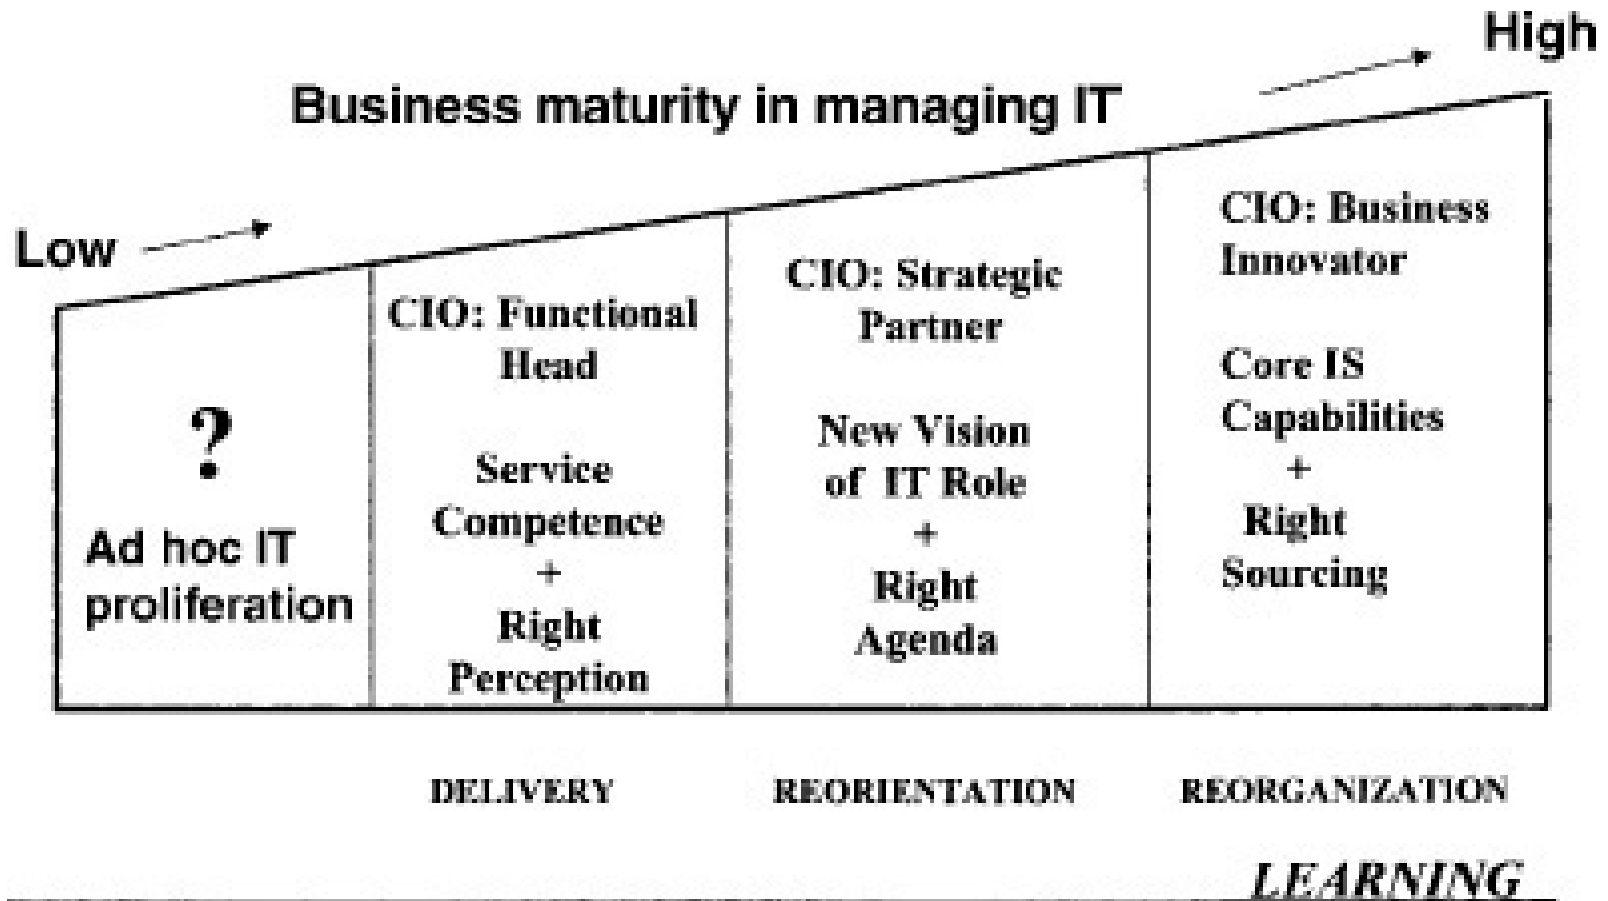

Don't judge a book by its cover.
Don't judge a person by their gender or their sexuality.
Talk. Learn. Respect.
