all of members answer YES

Would you consider using OCLC ILL system for PRDLA ILL?

9 answer yes

Tsinghua University

Discuss questions about document delivery

- 1. How to entry the bibliography of other libraries more easily ?(from OCLC)**
- 2. Should we use a unity ILL system ? (e.g OCLC)**
- 3. The Charges? (according the policy of each library or have some discount for member of PRDLA)**

Tsinghua University

Tsinghua University Library was established in 1912.. The total floor area of the Library is 28,000 square meters. The three parts of the building followed the same architectural style. It has served thousands of Tsinghua students over more than 90 years of history of the University.

Tsinghua University

By the end of the year 2003, Tsinghua University Library had a total collection of 3.3 million items. The items include books, bound periodicals and newspapers, audiovisual materials, etc.

Tsinghua University

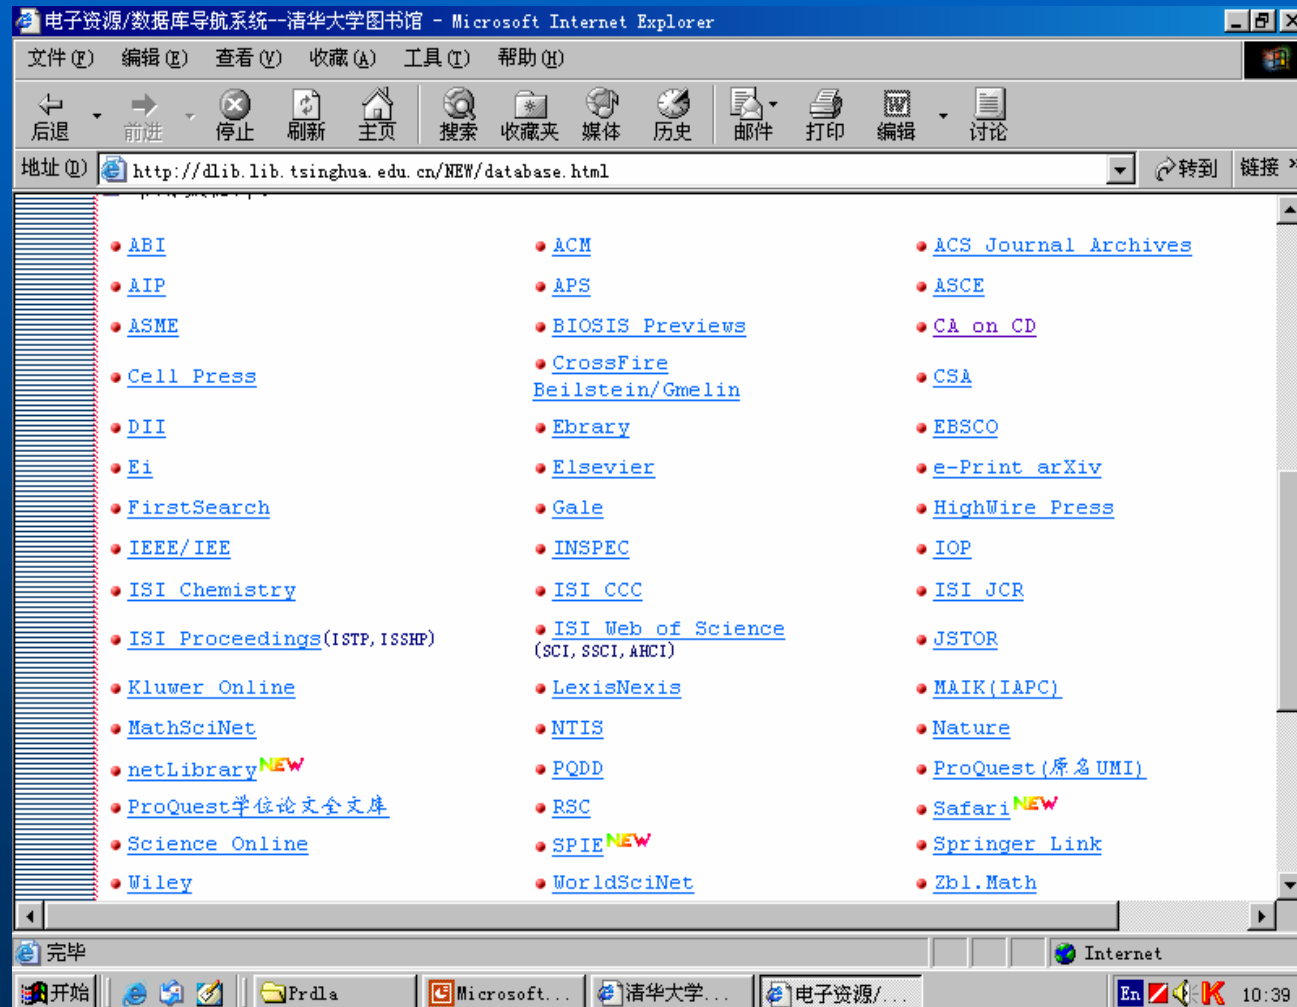

In nearly a century, Tsinghua University Library has built up a collection of rare treasures, including ancient books of Chinese and Foreign languages, ancient inscriptions on bones of Shang Dynasty, bronzes, calligraphy works and paintings, jade ware, chinaware, rubbings, inscriptions of minority characters, and other cultural relics. These rare treasures reflect the historical and cultural tradition of the University.

Tsinghua University

In recent years the Library has paid much attention to strengthen its diversified resources, which has led to a major change in its collection structure. The electronic resources have been growing rapidly with total data size amounting to 3,000GB. The library now owns over 25,000 full-text e-journals and more than 200 databases, which cover almost all the disciplines of the University.

Tsinghua University

**THL have ILL co-operations with hundreds
Libraries;**

**More than 15000 requests for ILL are received
by THL each year , more than 70% from other
libraries, more than 85% can be completed.**

Thank you!

謝謝!

前言

一个东方老国的城市，在建筑上，如果完全失掉自己的艺术特性，在文化表现及观瞻方面都是大可痛心的。

.....

研究实物的主要目的则是分析及比较冷静的探讨其工程艺术的价值，与历代作风手法的演变。知己知彼，温故知新，已有科学技术的建筑师增加了本国的学识及趣味。他们的创造力量自然会在不自觉中雄厚起来。这便是研究中国建筑的最大意义。

The ILL/DDS Section in Tsinghua University Library was established in 1995. The ILL/DDS is nonprofit. We have been focusing in high-performance service to support coursework, research and teaching. We require ILL and DDS from internal or international libraries and information centers. It is available for registered students, faculty and staff of Tsinghua University. It is also available to the other libraries and personal patrons who have built a deposit account.

The Database Service and Management System on Web for ILL/DDS launched in 1999. So people are more convenient to find out ILL/DDS Service in Tsinghua University Library. If you have registered for this system, you may log on directly. Then apply for ILL/DDS requests, check the status for each request you have applied, change your password or get the charge information on the web
